Getting your library card

A library card is your passport to the library! Patrons requesting a new card must show a current photo ID (State ID or drivers license), with proof of your current address. If your current address is not on your photo ID, please bring a piece of mail such as a utility bill, to show your current address. If this option is not available, you may fill out a postcard available at the circulation desk. The clerk will mail the card to you. When you receive the card, bring it in as proof of address, with a photo ID. For those ages 16 and under, we request that you have a parent or guardian co-sign the library card registration form.

There is no charge for a library card. Patrons must reside in the state of Colorado to obtain a library card. Please take care of your card. Be aware that if you lend your card to another person, materials checked out on the card are your responsibility. Please notify us if your card is lost or stolen.

Using your library card

Your card is necessary for checkout and to access the self check out and avoid lines at the circulation desk.

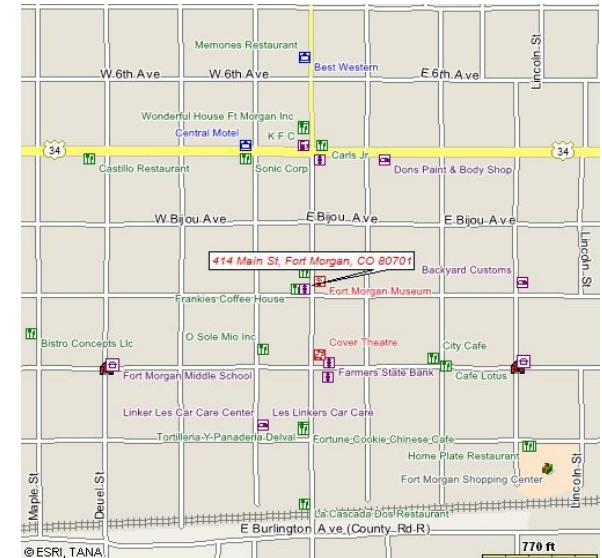

Most materials check out for 21 days. Movie DVDs, check out for 7 days. Items may be renewed over the phone or online at the library website, on or before the due date. To renew online, go to www.cityoffortmorgan.com. Click on the Departments link and select L for library. Click on the POLARIS button on the library web page. Now look for the PATRON ACCOUNT tab on the top of the page. Clicking this tab will take you to a log-on screen. Enter your full library card number in the barcode space. The password will be the number that you listed as your pin number when you registered. Once logged in, you can renew items and check the status of any item that is checked out.

Items that are lost may be turned over to a collection agency for payment of items and overdue fines. An item is lost after it is overdue for 21 days.

Patrons may have a total of 15 items out per card. DVDs, are limited to a total of 4 per card at any given time.
